Dear Parent/Pupil,

We hope that this letter finds you well. Here at Jigsaw we are aware that this is an unprecedented time for you and your P7 child.

Normally at this time of year Jigsaw is incredibly busy providing transition to secondary school group work programmes for all of the P7 pupils across Camphill, Harryville and Ballykeel Primary Schools.

Unfortunately this year due to the ongoing pandemic we are unable to offer the same support but we are sure that this remains a stressful and uncertain time for P7 children and their families.

In light of this we have designed an "At Home Transition Pack" with a view to pupils being able to work through some of the activities which will support them both practically and emotionally.

We are aware that this is perhaps new or very different to the home school activities that you have been completing together up until this point and as such I am available to support families on a 1-1 basis also.

Keep an eye out on your school's website or facebook page for details of an upcoming zoom meeting which is designed to help parents look at supporting their children around transition to secondary school and also one designed for pupils to access.

Stay Safe,

Claire Murphy: 079333500708
