

Monday 12th October 2020

MATHS WEEK IRELAND 10TH - 18TH OCTOBER

This week we will be taking part in 'Maths Week Ireland 2020'. This is a fantastic event with over 265,000 pupils participating this year! The week aims to promote positive attitudes towards Maths and our pupils will be taking part in lots of fun maths activities in class. We will share all the fun with you on the school website.

All our pupils this week will have special maths homework to complete: -
This is as follows:

- P1 -3: Complete some Autumn Outdoor Maths and send in a photo**
- P4-5: Make a poster of your favourite maths joke and send in a photo**
- P6-7: Take a photo of you "doodling" doing some 'Doodle Maths' in an unusual place**

Please check the 'Home Learning' section of the school website (Password reminder sent via PARENTMAIL in early October) for more information and to submit this work.

We are looking forward to taking part and discovering how much fun maths can be!
