# Get Crafty for Mother's Day!

Choose a fun craft activity to celebrate your mum or someone who is like a mum to you and enjoy making it together (or with another adult as a surprise!)

Paint, draw, make or create - it's your choice!

Send a photo of your masterpiece to: [socialmedia@midandeastantrim.gov.uk](mailto:socialmedia@midandeastantrim.gov.uk) and we will pick 9 winners to win a real beautiful bouquet and some sweet treats to enjoy together!

Some crafty inspiration...

## Make a card

A homemade card is a thoughtful gift, use what you have at home to make a cheerful design to brighten mum's day!

## Draw your mum's superhero alter ego

Is your mum a superhero? What are her superpowers? Does she give the best hugs or tell the best jokes? Write down all the amazing things your mum does.

## Decorate a plant pot and plant some seeds

There are so many items in our homes that we can re-use as plant pots, get arty with an empty yogurt pot or even egg box to plant some summer seeds.

## Build your own paper bouquet

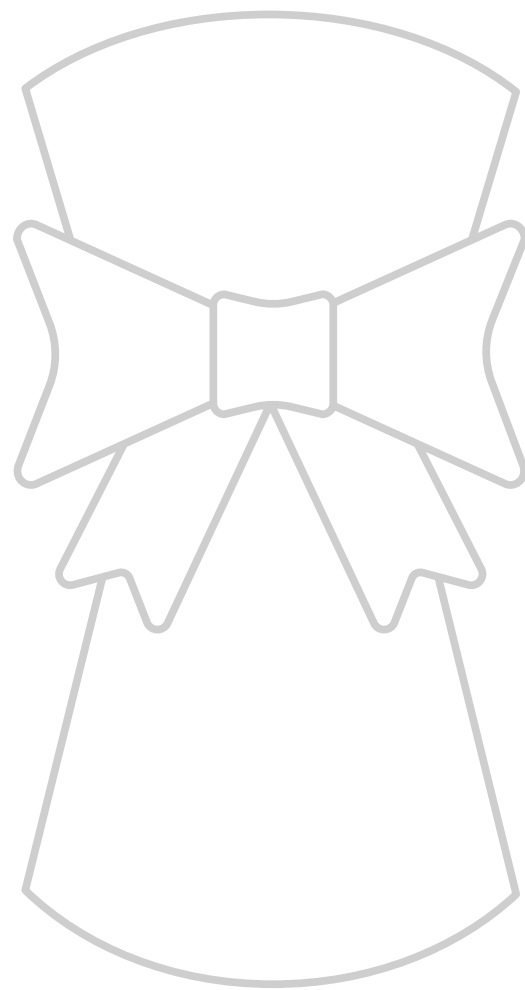

If you have access to a printer you could print out our build your own paper bouquet activity on the next page.

### Steps:

- Decorate the vase
- Colour and cut out the flowers
- Stick down to arrange into a beautiful bouquet
