# Our Wee Place

“LET’S GO ON AN ADVENTURE!”  
GRANDA SAYS TO EMILY.

Stepping out from their special wee place at the bottom of the garden, they find themselves on hustly-bustly city streets, at a roaring waterfall and in an old crumbling castle. As they revisit Granda’s old memories, they make new ones together along the way.

COME ON AN ADVENTURE WITH EMILY AND GRANDA AS  
THEY EXPLORE THE MAGIC OF THEIR NORTHERN IRELAND.

This book was funded by the Northern  
Ireland Office as part of the 2021  
Centenary Programme.
