What
can
we
offer?

Who
are
we?

Hi, our names are **Mavis and Sarah**, and we are the **Jigsaw Workers** for **Camphill Primary School**. Our job is to support the children, parents and families who attend Camphill PS. So please just contact us anytime if you have any questions about the programmes we are delivering in your child's class, or any parent or family events we are running. You can also go through your child's teacher if you would prefer.

We can help you by:

- Personal, social and emotional support for your child through class-based programmes
- Information groups and events for parents covering a range of topics relevant to you and family life
