

## Mid and East Antrim Christmas Toy Container Project 2022

This Christmas, why not give those unwanted and pre-loved toys lying around the house to families who may find this time of year more challenging?

For the 4th year running, Council is working in partnership with Habitat ReStore Ballymena, East Belfast Mission (#Restore) and local community groups including Larne Community Care Centre and Carrickfergus Community Forum to

deliver a toy donation scheme.

The project will run until Saturday 17 December.

#Christmas containers are being set up at five household recycling centres and three leisure centres across Mid and East Antrim.

Details and times for drop-off are:

#Ballymena area:

- Waveney Road HRC, Ballymena - Monday - Saturday 9am - 5pm
